50 DAYS OF READING!!!

Your challenge is to read for 50 days this summer (not necessarily consecutively). Here's a handy schedule to keep track.

Please have a parent or friend initial your reading records, and maybe even discuss the reading with them! This page will be collected at beginning of the year, for proof that you met the challenge. *Prize for anyone who completes this challenge and turns in their log during the first week of school in September: a special pizza lunch!*
