Forensic Science Evidence Box Self Evaluation

Requirements	Points Possible	Points I think I've Earned
General Format for Presentation		
1. Read a short summary of your book.	3	
2. Each piece of evidence was presented from the evidence box as student builds the story (without giving away the ending).	3	
3. Share a brief opinion of the book to entice your classmates (especially if it is a mystery) without giving away the ending.	3	
Evidence Box Materials/Visual Aids		
Evidence Box contained at least 6-8 pieces of evidence.	6-8	
Each piece of evidence was cleverly made/gathered/created and presented so that it made the book easier to understand and hard to forget! Evidence was connected directly to the plot. (1 point per piece, extra credit beyond 8)	6-8	
Evidence box itself was creatively decorated to illustrate the theme of the book.	3	
Student prepared and handed in note cards/prompts to help remind him/her of what to say for each piece of evidence.	3	
Content		
Shows an excellent understanding of the book and felt as if I read it myself!	3	
Time		
Project was completed on time and student was well prepared.	3	
Presentation was 5-7 minutes in length.	3	
Presentation Quality		
Presentation was obviously rehearsed.	3	
Student spoke clearly and distinctly throughout the presentation and with proper speed and volume.	3	
Total points earned	42-46
