

How Do I Study for My Tests?

STUDY TECHNIQUE 1: Write a mini-quiz for yourself and take it.

Remember to include some:

- multiple choice questions,
- fill in the blank questions,
- short answer questions, and
- perhaps even one essay question.

STUDY TECHNIQUE 2: Make a smart card for each of your vocabulary terms and quiz yourself.

The Term or Concept

- 1) A paraphrased definition that you understand.
- 2) A visual or drawing (symbolic or concrete)
- 3) A mnemonic and/or personal association w/ the term

STUDY TECHNIQUE 3: Vocab jingle: Create a musical way to help you remember your vocabulary.

STUDY TECHNIQUE 4: Rewrite the words with the definitions and then have a friend quiz you!

STUDY TECHNIQUE 5: Use this time to study in a way that best fits your learning style!
