

Winterm 2009 Opener Activity

Stand or sit as a group. Ask each individual to identify themselves by stepping forward if any of the following statements ring true. This will allow each individual to understand what we have in common with each other.

Step forward if you:

- Have ever worked on a farm
- Ate some sort of local food this week
- Regularly read the ingredients to the food you purchase
- Have ever been hungry
- Have every known someone who has been hungry
- Have ever volunteered at a community kitchen, church or other outreach organization
